2.7 Amount due and owing to our Group by the Related Parties

As at the LPD, there was no amount due and owing to the Group by its Related Parties, which exceeded the credit terms given arising from the RRPTs.

Our Group has established the following procedures to ensure that the RRPTs are entered into on an arm's length basis and on normal commercial terms and transaction prices which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the interest of the minority shareholders of our Company:

- (a) the identity of the Related Parties shall be circulated within our Group (including our Directors) and all potential RRPTs shall be reported to and be reviewed by our Audit and Risk Management Committees which in turn shall report to our Board for deliberation and decision before entering into the transactions with Related Parties;
- (b) the Related Parties identified shall be notified that all transactions (including RRPTs) with our Group are required to be undertaken on an arm's length basis and on normal commercial terms not more favourable to the Related Parties than those generally available to the public;
- (c) the RRPTs prices shall be determined based on, among others, pricing, quality and/or service level, which are available under similar commercial terms for transactions with third parties;
- (d) our Group shall ensure that at least 2 other contemporaneous transactions with unrelated third parties for similar products or services, and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to or by the Related Parties are fair and reasonable and comparable to those offered to or by other unrelated third parties for the same or substantially similar type of products or services and/or quantities.

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined based on benchmarking against any experts' reports (if available) or our Group's internal assessment based on the prevailing market rates and/or commercial terms which are generally in line with the market practice and norms of the industry to ensure the RRPTs are not detrimental to the interests of our Group and/or the minority shareholders of our Company;

- (e) all RRPTs will be recorded in a register to be maintained by our Company. There are no specific thresholds for the approval of RRPTs within our Group. Our management shall monitor all RRPTs and report to our Audit and Risk Management Committee on a quarterly basis for review or as and when required.

Any divergence from the shareholders' mandate will be reported by our Audit and Risk Management Committee to our Board accordingly. In the event where the actual value of the RRPTs exceeds the estimated value by 10% or more, such RRPTs and the reasons for such deviation will be immediately announced to Bursa Securities;

- (f) the annual internal audit shall include review of all RRPTs entered into by our Group and ensure that the established guidelines and procedures in respect of RRPTs are adhered to;
- (g) our Audit and Risk Management Committee shall:
 - (i) review on a quarterly basis, or as and when necessary, to ascertain that the established guidelines and procedures for the RRPTs have been complied with; and
 - (ii) consider, from time to time, whether established guidelines and procedures for the RRPTs have become inappropriate, and/or are unable to ensure that the transactions will be on normal commercial terms, and/or prejudice the interests of shareholders generally.

In the event our Audit and Risk Management Committee, during its review, forms an opinion that the RRPTs are not being conducted in accordance with the established guidelines and procedures and/or are not on an arm's length basis and/or normal commercial terms, or are detrimental to the interests of our Group and/or the minority shareholders of our Company, our Audit and Risk Management Committee will advise our Board to convene a general meeting of shareholders of our Company to seek a fresh shareholders' mandate for the RRPTs; and

- (h) if a member of the Board and Audit and Risk Management Committee has an interest in a transaction, he will abstain from any deliberation and decision making by the Board or the Audit and Risk Management Committee in respect of the said transaction.

In addition, such interested Director or Major Shareholder will also ensure that Persons Connected with them will abstain from voting on the resolution pertaining to the Proposed Renewal of Shareholders' Mandate.

2.9 Disclosure in Annual Report

Disclosure will be made in the Company's annual report on the breakdown of the aggregate value of the RRPT made during the financial year, amongst others, based on the following information:

- (i) the type of RRPT made; and
- (ii) the names of the Related Parties involved in each type of the RRPT and their relationship with the Group.

2.10 Statement by the Audit and Risk Management Committee

The Audit and Risk Management Committee of the Company has seen and reviewed the procedures mentioned in Section 2.8 above and is satisfied that the procedures established are sufficient to ensure that the RRPTs are conducted on an arm's length basis, and they are fair, reasonable and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders of the Company.

The Audit and Risk Management Committee is also of the view that the Group has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner and such procedures and processes are reviewed on an annual basis or whenever the need arises.

3 RATIONALE FOR AND BENEFITS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The RRPTs entered into by the Group with the Related Parties are all in the ordinary course of business. The RRPTs are recurring transactions of a revenue or trading nature which will occur with some degree of frequency and could arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and it may be impractical to seek shareholders' approval on a case-to-case basis before entering into such RRPTs.

By obtaining the Proposed Renewal of Shareholders' Mandate on an annual basis, the necessity to make regular announcements to Bursa Securities and to convene separate general meetings to seek shareholders' approval from time to time is eliminated. This would substantially avoid incurring substantial expenses associated with the convening of general meetings on an ad hoc basis, thereby improving administrative efficiency.

4 FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHAREHOLDERS' MANDATE

The Proposed Renewal of Shareholders' Mandate will not have any effect on our Company's issued share capital and substantial shareholders' shareholdings and is not expected to have any material effect on the net assets and gearing of the Group.

5 APPROVAL REQUIRED

The Proposed Renewal of Shareholders' Mandate is subject to the approval being obtained from the non-interested shareholders of the Company at the forthcoming 8th AGM.

The Proposed Renewal of Shareholders' Mandate is not conditional upon any other corporate exercise/scheme undertaken or to be undertaken by the Company.

6 INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS AND/OR PERSONS CONNECTED WITH THEM

Save as disclosed below, none of the Directors, Major Shareholders of our Company or persons connected with them has any interest, direct or indirect, in the Proposed Renewal of Shareholders' Mandate as at the LPD:
